Objective:

A position as a graphic artist that utilizes my skills in web design and print based media.

Summary of Qualifications:

- Six years of experience in graphic design and desktop publishing.
- Bachelor's Degree in Graphic Design and a minor in two dimensional design from Seton Hill University.
- Demonstrated ability to produce a wide variety of graphic products including newsletters, letterhead, business cards, and web sites.
- Proficient on Apple and Windows based systems.
- Creative, able to communicate effectively with customers, consistently meet deadlines.

Experience:

West Media Group / Apollo Design Group
Latrobe, PA
2006-2010

Web Designer for both West Media Group and Apollo Design Group. Also graphic designer with many printed pieces of work, including: advertisements, brochures, logos, etc.

Elcam Inc.
St. Marys, PA
2002-2005

Graphic Designer for the company. Created many graphics used within the company for advertisements and a computer-training manual. Also helped in the development of the art program for the clients there.

Walmart
Latrobe, PA
2006-2010

Customer service manager for the store. Dealing with customers on an everyday basis and experience in leading a group of people.

Education:

Bachelor's Degree
in Graphic Design with a minor in 2-Dimensional Design   Graduated in 2005

Seton Hill University
Greensburg, PA
